CHARTING A NEW COURSE FOR HEALTH CARE IN ONTARIO

Healthcare spending in Ontario is rising rapidly. If it continues at the current pace, with the current funding model in place, our quality of care -- and quality of life -- will be in jeopardy.

Join Derek Burleton for a critical discussion on:

- Current health spending trends in Ontario and projections through 2025
- The risks that rising health spending pose to Ontario's standard of living
- 10 recommendations to get Ontario's health system on more sustainable financial footing
