## GREEN TRANSPORTATION & PLANNING: PORTLAND'S DIVIDEND IN THE NEW ECONOMY

Through ground-breaking policies and partnerships with leading firms in green building and clean technology, Portland is developing a world-class reputation as a laboratory for innovation.

Join Mayor Sam Adams, as he speaks about Portland's successes and how municipal regions can capitalize on green transportation and planning, including:

- The 20-minute neighborhood-- out of our cars and into our communities
- Eco-districts: the new frontier for cities
- Multi-modal transportation as an economic driver
