3RD ANNUAL SMART CITIES SUMMIT

SMART CITIES
CHALLENGE
INSIGHTS
FROM HOME
& ABROAD

Cities across Canada and the U.S. are facing similar issues and looking for smart solutions to provide enhanced services to residents and create a competitive advantage.

Through its 3rd Annual Smart Cities Summit, the Board is a global hub connecting international experts, local and national business influencers and city builders for a day of dialogue, networking and idea-sharing based around Canadian cities' experiences in the *Federal Smart Cities Challenge*.

REGISTER AT SCSUMMIT2018.TRBOT.CA

WHO'S IN THE ROOM?

- 250+ city-builders, business leaders & government officials
- 65% are decision-makers
- Civic leaders representing short-listed Canadian municipalities
- International business delegations of smart cities leaders, such as from Fukuoka, Japan and Istanbul, Turkey.
